

# AAPS Schools of Choice

---

Board of Education Briefing  
March 10, 2010

# Enrolling NonResident Students

---

- State School Aid Act allows a district to enroll nonresident students without a release from their home district
- Section 105 refers to students in districts within the county ISD
- Section 105C applies to students in districts contiguous to the county ISD

# Requirements

---

- Determine unlimited or limited number of seats open
- Publish grades and schools that will accept nonresident students
- Provide notice to the public
- Follow timelines for application window and notifying parents

# Current Recommendation

---

- Section 105 - in county residents
- Limited seats
  - 60 seats at Kindergarten
  - 60 seats at Grade 1
  - 50 seats at Grade 6

# AAPS Process

# Timelines

---

- Application window
  - April 1 thru April 30, 2010
  
- Parent Notification
  - May 15, 2010 via US mail

# Accepting Students

---

- With the exception of a student who has been suspended or expelled,
  - the district cannot refuse enrollment to a student.
  - This does not prohibit expelling a student for discipline reasons.
- If more applications are received than seats are available,
  - a random draw will be held at the district office.

# Number of seats available

---

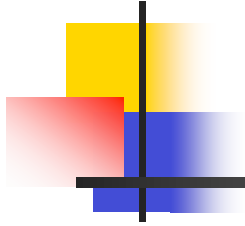

- Current buildings are in the process of staffing for Fall.
- Number of seats at each building will be determined in late April or early May.

# Waiting list

---

- District must accept the number of students that was published -
  - 60 at Kindergarten
  - 60 at grade 1
  - 50 at grade 6
- If seats become available, students can be added from the wait list beginning August 16th through September 9th

- Once a student is accepted and enrolled, they may remain in Ann Arbor Public Schools through graduation.
