## PARENT/TEACHER COMMUNICATION STATEMENT

The faculty and staff of Huron realize how important it is for parents to have current information about their student's progress. Here are the most effective ways of communicating with Huron teachers:

**E-MAIL** – The majority of Huron teachers provide their e-mail addresses at the beginning of the school year. E-mail addresses are also available on the AAPS web site or in each grade office. In order to make certain there are no entry errors, please e-mail the teacher so they can save your correct address. Also, feel free to e-mail your questions throughout the school year. You can expect a response within a few days.

**TELEPHONE CALLS** – Feel free to call your student's teacher and leave a message. You can expect a return call within a few days. If you haven't heard back, please try again. This is a very busy place!

**PARENT/TEACHER CONFERENCES** – Offered three to four times per year, this is a chance to have brief (10 minute) face-to-face contact with your student's teachers. Conference sign-up usually occurs a week before the actual conference takes place in the media center lobby at Huron.

**PERSONAL CONTACT** – Please try to meet with your student's teachers during their planning time throughout the school year. These meetings need to be arranged in advance, directly with the teacher. Times vary depending on the teacher's class schedule.

## DUAL ENROLLMENT OPTION – JUNIORS & SENIORS ONLY

Historically, school districts have allowed their students to attend courses at local colleges or universities, in addition to their own high school, in an effort to meet students' needs and interests. This is called "dual enrollment."

Effective April 1, 1996, *Public Act 160 created the Post secondary Enrollment Options Act* which directs school districts to assist students in paying tuition and fees for courses at Michigan public or private colleges or universities, if all of the following conditions are met:

Student is classified as grade 11 or grade 12.

Student must be enrolled in both the school district and post secondary institution during the local school district's regular academic year and must be enrolled in at least one high school class.

The district must not offer the college courses. An exception to this could occur if the board of education determines that a scheduling conflict exists, which is beyond the student's control.

The college courses cannot be a hobby/craft or recreation course, or in the subject areas of physical education, theology, divinity, or religious education. School districts are required to pay the lesser of: the actual charge for tuition, mandatory course fees, materials fees and registration fees

### OR

the state portion of the students' foundation allowance, adjusted to the proportion of the school year they attend the post secondary institution.

If you believe you are eligible for dual enrollment, which you qualify for tuition and fee support, and you wish to participate, contact your counselor. Students must be pre-approved by a counselor before enrolling in any college class under the dual enrollment option.

## BOOK DEPOSITORY PROCEDURES

During registration, each student is required to check out his/her books at the Book Depository. The books have a barcode, which is necessary for checkout and check-in procedures. If the barcode is damaged after checkout and cannot be read, the student will not be credited for the return of the book.

Students who return books that have been damaged will be charged. We suggest that students cover their books for added protection. Please do not use contact paper - we suggest brown paper bags or book covers.

Students are encouraged to return all their textbooks at the end of each school year. Students with outstanding obligations from the previous school year must clear them before registration. If you are an incoming 9th grader, please clear your obligation at the Middle School.

Safety glasses will be issued after a \$5.00 deposit has been paid. Please keep your receipt, as this is the only way the deposit will be refunded.

If you lose a book you must pay for the first book before you receive a second copy. If you find your book you will be issued a refund.

**LOST AND FOUND** – Lost and found is located in the Book Depository. Students should check there for lost articles of clothing and books.

### **COURSES DROPPED AND/OR SCHOOL TRANSFER** –

Return all books to the Book Depository. DO NOT return your books to the teachers.

**BOOKS ARE TO BE RETURNED IN THE SAME CONDITION THEY WERE RECEIVED.**

## NATIONAL JUNIOR HONOR SOCIETY (NJHS) & NATIONAL HONOR SOCIETY (NHS)

The Huron Faculty Council selects students who demonstrate **outstanding performance in all four criteria** of scholarship, leadership, service, and character.

**NOTE: While the academic criterion is important, grades alone are not the sole criteria even though it is considered the most important of the four criteria.**

### SCHOLARSHIP

The scholarship requirement set by Huron is the cumulative GPA of 3.50. The phrase "cumulative grade point average" refers to the total academic performance as demonstrated by the grades received by the student while in attendance at Huron.

### LEADERSHIP

The leadership criterion is considered highly important for membership selection. Leadership roles in both the school and community are considered **provided they can be verified**.

### SERVICE

Service is a key area in the selection process. Students selected for the National Honor Society must have performed service to the community. Service is generally considered to be the actions undertaken by the student, which are, are done with or on behalf of others without any direct financial or material compensation to the individual performing the service. NOTE: Lack of service has been the number one reason for non-selection.

### CHARACTER

A candidate will be able to demonstrate an outstanding record of conduct and behavior with regard to school and community rules, guidelines, and policies or be able to demonstrate sufficient growth and improvement to compensate for previous inadequacies.

The list of qualifying sophomores for the National Junior Honor Society (NJHS) and juniors for the National Honor Society (NHS) is determined in February.

## ANTI BULLYING OR INTIMIDATION POLICY

Ann Arbor Public Schools will not tolerate bullying or intimidation. Bullying consequences can lead up to and include 180 days of long term suspension and/or an alternative placement away from Huron.

### BULLYING TERMS:

**Cyber bullying** – Accomplished through e-mail, instant messaging, internet chat rooms, camera cell phones... hurtful messages and images are spread around more quickly than lightning.

**Emotional bullying** – Victims are sometimes isolated and excluded from activities, shunned in the lunchroom or school activities and outings. This is especially common among girls who bully.

**Physical bullying** – This can involve verbal abuse, kicking, pinching, and threats of physical harm.

**Racist bullying** – Verbally attacking someone for their cultural differences, racial slurs.

**Sexual bullying** – Inappropriate and unwanted sexual comments often coupled with unwanted physical contact.

**Verbal bullying** – Laughing at someone, name calling and/or constant mocking.

Bullies come in all forms, sizes and shapes. They all have different reasons for their behavior.

1. They may be dealing with a difficult situation at home (divorce).
2. They are a victim outside the school's environment.
3. They are being bullied at home.
4. Bullies often have low self-esteem.

How to deal with a bully:

1. Hold the anger –try not to react, don't get physical, that is what the bully is after.
2. Act brave –walk away and ignore him/her.
3. Tell an adult –parent, teacher, counselor. They can help you and sometimes it helps to talk about it.
4. Use the buddy system –bullies often shy away from picking on an individual who is in a group of people.
5. Develop more friendships by joining social organizations, clubs or sports programs.

# ATTENDANCE AND TARDY POLICY AND PROCEDURES

## ATTENDANCE PHILOSOPHY

The Ann Arbor Board of Education believes that regular and punctual attendance by students results in greater levels of student achievement in a safe, secure, and orderly school, in higher staff and student morale, and in better preparation for post-high school life.

An essential part of all education takes place through social interaction that one cannot learn from studying texts. While independent work and/or research is vital, it is equally important to hear lectures, participate in activities and discussions,

be exposed to other peoples' ideas, and work with non-print materials. For this reason, daily attendance and participating in class is crucial and will impact student performance.

Students and their parents/guardians should understand that excessive absences, whether excused or unexcused, might often drastically affect class grades. Successful students are seldom absent.

Students are expected to be in class, punctual, and prepared to participate in the learning process every day. Regular attendance and punctuality are essential if students are to make use of the educational opportunities in high school.

### EXCUSED ABSENCES

To excuse an absence a student's parent/guardian must notify (**e.g. in person or a phone call—notes are not accepted**) the school of the student's absence within 48 hours with an acceptable reason. Parents/guardians may excuse absence only for the following reasons:

1. Personal illness
2. Illness of an immediate family member
3. Death of a family member or close friend
4. Verified medical or dental
5. Verified legal proceedings
6. Emergency removal for administrative reasons
7. Suspension from school
8. Approved school-sponsored or school-related activity
9. Emergency child care
10. Exceptional or unexpected transportation difficulties
11. Observance of a religious holiday
12. Other activities approved by school administration
13. Pre-excused family travel/college visits

### ADDITIONAL NOTES

- The grade level administrator must pre-approve family travel/college visit absences to allow for make-up privileges. Families are expected to completely fill out a "Request for Extended Absence" form and turn it in at the grade level office in advance. Once an extended absence is approved, the student has the responsibility to make

the appropriate arrangements with his/her teachers.

- When leaving during your scheduled school hours, student must check out at the grade level office, the attendance office, or the clinic.
- Parents/guardians may not excuse students from class in order to remain in school to study for a test, go to the media center, complete make-up work, or attend some other in-school activity.

### EXCUSED ABSENCE PROCEDURE

When calling in an absence, please be prepared to leave the following information:

Student's name  
I.D. Number  
Grade Level  
Date(s) and time(s) of absence  
Reason for absence  
Your name and relationship to student

Huron prefers phone calls in advance. Attendance calls will be take at the following numbers:

9th Grade Attendance 994-2045  
Szalay/Skiba  
10th Grade Attendance 994-2061  
Morris/Edmondson  
11th Grade Attendance 994-2056  
Frenette/Bell  
12th Grade Attendance 994-4327  
McFall/Edmondson

### UNEXCUSED ABSENCES

Unexcused absences are those absences where the student fails to attend class and the parent or guardian has not notified the school in accordance with the required attendance procedures. Students may not make up work (including tests) for credit due to unexcused absences.

*NOTE: Previous policies regarding 2% deductions from overall grades/participation credit due to absences and/or tardies are no longer in effect.*

### MAKE-UP WORK

Teachers must allow students to make up work due to excused absences. Two days will be granted for the make-up of one day's excused absence. Students are expected to take the initiative in asking teachers for make-up work. Any work that is not made-up in accordance with these procedures will receive no credit.

### ATTENDANCE INCENTIVES

While students are expected to attend school regularly, exemplary attendance may be recognized and rewarded by individual teachers or other staff on a school-wide basis. Individual schools are encouraged to implement incentive programs for good attendance. Examples of appropriate incentives might include but are not limited to the following:

- Bonus points toward exam grades
- Bonus points toward marking period grades
- Presentation of awards and certificates
- Privileged parking passes

### TARDY (EXCUSED AND UNEXCUSED)

Students have a responsibility to arrive on time. An unexcused tardy occurs when a student arrives after the bell rings without an acceptable excuse. Consequences for unexcused tardiness will be in accordance with the provisions of the *Rights and Responsibilities Handbook* and Local School Rules.

**Be where you are supposed to be and be there on time.**
