

Parking:

Pioneer High School has a large parking lot area. We ask that everyone find a parking space in these lots to park your cars. Cars that are parked on the grass or in spots that are not designated for you to park in **will result** in a ticket or tow.

Please pick up your child in the parking lot or in the pick-up zones. Standing or parking along the road by the tennis courts is unsafe for you and others.

The Service Drive roadway is not a designated parking lot
